About Our Company

“Moving goods,
bridging worlds.”

Invenza is a global import and export company committed to connecting markets and enabling seamless international trade. We specialize in sourcing and distributing high-quality products across various sectors, e.g., food & beverage, which includes varieties of rice, spices, pulses, essential oils and ointments, textiles, etc. With a strong global network and deep market knowledge, we ensure reliable logistics, regulatory compliance, and exceptional service. Our goal is to build lasting partnerships by delivering value, efficiency, and trust in every transaction. Whether importing or exporting, Invenza is your dependable link to global growth and opportunity.

Our Mission and Vision

At Invenza, our operations are driven by a clear mission and vision that reflect our commitment to excellence in global trade. As a trusted import and export partner, we focus on building strong international relationships, delivering value to our clients, and enabling seamless cross-border commerce. Our mission defines our purpose, while our vision guides our long-term goals—together forming the foundation of our strategic direction and customer promise.

Our Mission

To facilitate global trade by delivering high-quality products and services with integrity, efficiency, and reliability. We aim to bridge markets, foster strong international partnerships, and create value for our clients through seamless import and export solutions.

Our Vision

To be a leading global trade partner, recognized for our commitment to excellence, innovation, and sustainability. We strive to connect businesses worldwide, support economic growth, and contribute to a more interconnected and prosperous global marketplace.

What We Value

At Invenza, our core values shape every aspect of our business and define how we engage with partners, clients, and communities worldwide. Integrity, reliability, and transparency guide our operations, ensuring trust in every transaction. We value long-term relationships, cultural respect, and operational excellence, and are committed to continuous improvement and sustainable practices. These principles not only drive our growth but also reflect our dedication to being a responsible and dependable global trade partner.

work & play

At Invenza, we deal with food and spices including varieties of rice, pulses, dry fruits, fox nut, Indian spices, textile, oils and ointments, artificial gems and jewelry, tea and coffee, hotel industrial items like towels, bedsheets, mats, rugs, etc.

Company Guidelines

01

Ensure Compliance with International Trade Regulations

All operations must strictly adhere to local and international laws, including customs regulations, trade agreements, and documentation standards to maintain legal and ethical business practices.

02

Prioritize Quality and Reliability

Products and services must meet agreed-upon quality standards, and all shipments should be delivered on time to build trust and long-term client relationships.

03

Maintain Transparent Communication

Clear, honest, and timely communication with clients, suppliers, and regulatory bodies is essential for smooth operations and effective problem-solving.

04

Uphold Ethical and Sustainable Practices

All sourcing, trading, and logistics activities should reflect a commitment to ethical conduct, fair trade, and environmental sustainability.

Meet the Team

At the helm of Invenza is our Managing Director, Mrs. Archana Srivastava, a passionate and forward-thinking leader with a clear vision for global trade.

With a strong foundation in international trade policies and knowledge, logistics management, leadership and team management, Mrs. Archana brings both strategic insight and hands-on experience to this early-stage venture.

Driven by a commitment to excellence, innovation, and sustainable growth, she leads our mission to connect markets and build trusted global partnerships. As we navigate the dynamic world of import and export, Mrs. Archana's leadership ensures that Invenza Overseas remains agile, ethical, and customer-focused.
